

# Glantz Design Announced as a 2022 National and Local Excellence Award Winner by UpCity!

For more than a decade, UpCity's mission has been—and continues to be—to help businesses find B2B service providers they can trust. The UpCity Recommendability Rating was developed to determine a service provider's credibility and recommendability, giving UpCity the confidence to recommend them to the more than 2 million businesses that visit their site.

Each year, UpCity analyzes and scores more than 70,000 service providers based on their UpCity Recommendability Rating and acknowledges the top national and local providers with an [UpCity Excellence Award](#). The results are in, and we won!

We are proud to announce that [Glantz Design](#) has been recognized as not only one of the [best B2B service providers](#) of 2022 in the Chicago area, but also one of the top B2B providers in the United States by UpCity!

This recognition has been driven in large part by our 5-star review rating on UpCity. Here are a few of our favorite pieces of feedback we've received from our incredible customers:

- “Glantz has been a great design firm to work with. The Evanston History Center felt that we needed a new identity which started with a logo design. Glantz walked us through the process, asked the right strategic questions, worked with our Board of Trustees, and created a strong solution for years to come. We can't wait to roll out our new identity soon! And it wouldn't have happened without Glantz.” - Elizabeth R., March 2022
- “We have a complex, broad offering set and compete in an industry that sometimes struggles to define itself, let alone provide resonant points of differentiation. The Glantz team took the time and brought the expertise to really understand our challenges and opportunities. The finished product reflects the team's sophisticated thinking, and we now stand out with compelling visuals and thoughtful design that helps us showcase our humanity and skill in providing exceptional HR support to small and mid-sized businesses. Communication with Glantz was exceptional, and we finished on time and on budget. Really, this was a great experience for us.” - Jason R., May 2021

Thank you to not only UpCity for honoring us with this award, but also to all of our customers, family, and friends for supporting us over the years. This accomplishment wouldn't be possible without all your love and support!
